# Memory Café

**Parkside Café**  
**1400 Highway 11**  
**Union Grove, WI 53182**

Memory Cafés are places where persons with MCI (Mild Cognitive Impairment) early-stage Alzheimer's or a related dementia can go with their care partners to socialize and have fun with other people going through similar things. A Memory Café has no real agenda or stated purpose except to enjoy each other's company. Cafés provide a time where you do not need to focus on the diagnosis, while having a great time connecting with each other as a family or creating new friendships.

**Café Partners are: ~BrightStar Healthcare**

**~Touching Hearts at home ~Waterford Senior Living Memory Care**
