

Will you help?

**Volunteer Coaches are
needed for our NEW
Sip & Swipe Café®**

Tablet Training Program

**Rest assured you do not have to be a walking
computer encyclopedia or a tech expert!**

**If you know how to use a tablet, are kind and friendly--
you have the skills we need!**

Learners read on-screen instructions and learn at their own pace.
Coaches are there to encourage learners and answer questions.

**For information on how to be a Sip & Swipe Café® Coach, please call Elizabeth
at the Aging and Disability Resource Center of Racine County, at 262-833-8762**

**We are able to offer this new program due to a generous grant from
the Retirement Research Foundation**
